

## Arafura's Charity Fridays

At Arafura Resources we thrive on a happy and healthy work place environment. This is why we've created *Charity Fridays*. Instead of adopting the normal 'casual dress on Fridays', we choose a theme each week and dress accordingly. Staff who participate in the Friday dress theme donate a gold coin. It isn't compulsory but most of us enjoy dressing up (some more than others!) and having a laugh each Friday. Dress themes have included; FIFA World Cup teams, Hawaiian, various colours such as PINK, 70s era, AFL teams, and Australian.

The first charity organisation that we adopted was the Cancer Council. Each May the Cancer Council conducts 'Australia's Biggest Morning Tea' campaign. Arafura hosted its own morning tea on May 14<sup>th</sup> where staff brought in sweets and savouries, and donated generously. All money donated on *Charity Fridays* from the past months, together with the money raised from the morning tea, was donated to the Cancer Council. We're happy to say that collectively we raised \$400!

Arafura will continue with *Charity Fridays* and donate to various charities across Australia.

Charity Friday Organiser Sarah Nicholas who is holding the recognition certificate from the Cancer Council is pictured here with other ladies from the Arafura Team.
